The Lord's Supper

Jesus instituted the Lord's Supper on the night He was betrayed. His churches are to observe it until He returns as a continual reminder and display of His sacrificial death. Those who receive the Lord's Supper in a worthy manner are those who trust in Jesus Christ and have repented of their sins. The Lord's Supper strengthens our faith in Him and in all the blessings His death brings us. It helps us grow in Him and reminds us to obey and serve Him. It is also a sign and a promise that we belong to Jesus and to one another.
